5216, at \$17,000, was the high selling bull at the 2007 Upstream Ranch sale and sired the second high selling bull and the high selling sire group at the 2009 Upstream sale. He is a trait leader in 10 EPDs, with excellent calving ease, high milk and milk and growth numbers, as well as terrific carcass EPDs. 5216 is a very complete, balanced, muscular sire with loads of volume and exceptional doing-ability. His calves are eye-appealing, sound, and most often conservatively marked, with plenty of pigment.

Five year old, home raised gelding. This horse has done all types of ranch work. He is very quiet and super athletic. Very cow minded, and won't quit until the job is done. Broke and gentle enough for any rider. Call for more info. Jed Seim 605-788-2981.
