SEPTEMBER 11, 2010

We would like to invite you to our Genetic Opportunity Sale on Saturday, Sept. 11, 2010, starting at 12:30 p.m.

We are very proud to host this sale and are excited about our offering. This is your opportunity for fresh, young genetics out of our premier cow families and the rare opportunity to purchase some of our top donor cows: 20R, 14R and 39S. We are also offering bred heifers and 2 and 3-year-old females carrying the services of Ribeye, 719T, Thor, Tailor Made and Cracker Jack. In addition, we are selling a few select embryo packages and pregnant recip carrying heifer calves.

If you study this catalog you will see that we've built our programs on powerful, moderate framed females with sound udders. They are proven producers of the type of calves that have made up our successful Denver Pens and have been well accepted at sales in Minnesota and South Dakota as well as the Mile High Sale in Denver.

As a special feature we will be offering heifer calves out of 18J, the hard working female that brought us the great Wrangler 25L, now working for Thorstenson Hereford Ranch of South Dakota. In addition, she has produced four other herd bulls working across the U.S. This is your opportunity to purchase the genetics of this great female.

Finally, the Violet 349 influence. Violet has had a tremendous impact on our breeding programs and here is the opportunity to bring her genetics into your herd. Violet is the dam of our sires Cracker Jack, AH Yankee 10S and JDH AH 19D Wrangler 8T. The females out of these bulls will keep us on course as we build for the future.

Visit [www.delaneyherefords.com](http://www.delaneyherefords.com) for additional pictures and video of the cattle selling. We hope you will be able to join us in September. Until then, if we can help you in any way, please do not hesitate to call.

REMEMBER TO JOIN US FRIDAY, SEPTEMBER 10TH FOR VIEWING OF THE SALE CATTLE FOLLOWED BY A GREAT DINNER OF HEREFORD BEEF AT 7 p.m.

Thank you,

**Conference Call Bidding:** We will be offering conference call bidding the day of the sale that will be coordinated by Art Handel. Please call 605-693-2663 between 11:30 a.m. and 12:15 p.m. to register for a bidding number. To call in to bid during the auction, call 605-693-2663 and enter the pass code: 30084 when prompted. You may stay on the line as long as you wish.

## Sale Terms & Conditions

**Terms:** Terms of the sale are cash or check payable during or after the sale and before cattle will be released. Cattle will not be transferred until paid in full. Each animal will be at the purchaser's risk immediately after the animal is sold. They will be fed and cared for a reasonable length of time after the sale but at the purchaser's risk.

**Guarantee:** All cattle are guaranteed under the suggested terms and conditions of the American Hereford Association.

**Absentee Bids:** If you would like to place a bid on any lot but are unable to attend the sale, please direct your bid to any of the owners or sale staff. Real time bidding will be available via conference call during the sale by calling 605-693-2663 and when prompted for a conference call pass code, enter 30084.

**Herd Health:** All cattle will be sold in compliance with the health laws of the state of Minnesota. Health papers will be provided. All bred females have been pregnancy checked.

**Trucking:** Livestock haulers will be available for hire on sale day. We will be happy to assist you in making the most economical delivery arrangements for your purchases.

**Insurance:** Insurance will be available at the clerk's desk through Harding and Harding.

**Registration Certificates:** The animals will be transferred to the buyers at the seller's expense. Each buyer must be sure to give the clerk the proper name and address for making transfers. All calves born after the sale are to be registered by the buyer. Any female that is mated to a sire that is not owned by the seller will not have an AI certificate provided.

**EPDs:** EPDs listed in the catalog are the most current available at the time of catalog printing.

**Air Travel:** Sioux Falls Regional Airport is served by several major airlines and is approximately 1 1/4 hours from the farm. Rental cars are available in Sioux Falls. The Brookings Regional airport is located approximately 30 minutes from the farm and has a 5,200 ft. runway with limited commercial flights.

**Please note:** All persons who attend the sale do so at their own risk. Owners assume no liability legal or otherwise for accidents or loss of property that may occur.

**Announcements:** Announcements made the day of the sale take precedence over material printed in the sale catalog or any other advertising. We reserve the right to make any additions or withdraw any sale lot not meeting our specifications prior to sale time.

- Donor cow. Here is a rare opportunity to own a daughter of Embracer 8E in the prime of her life. She has produced 43 grade one and 2 eggs in two flushes. A 2006 JNHE class winner, she has a picture perfect udder and style, balance and volume to go with it. She is a light birth weight cow with an average BW ratio of 89.5 on her four natural calves. She is also a maternal sister to the dam of JDF AH 25L WRANGLER 15T ET, the sire of some outstanding females in this sale. Her cow family has been a foundation for Atkins Herefords and is noted for very high quality udders. This is a tough one to sell. She will be a great addition to any herd.
- Bred AI May 25, 2010, to STAR TCF Shock & Awe 158W ET, then pasture exposed June 14 to July 13, 2010, to DaKitch 89G Traveler 113W.

A great producing cow and prolific donor, Violet was purchased by Atkins Herefords in the 2004 Mile High Sale in Denver. She consistently produces calves with great performance, volume, muscle and style including class winners at Denver and Ft. Worth and a Reserve Champion Heifer Calf at the American Royal in Kansas City. In Denver in 2009, a son was the lead bull in our Reserve Champion Pen of Three Bulls. In 2010, another son was the lead bull in our Denver Pen of Three bulls and a daughter was the lead heifer in our Pen of Three heifers. In the last three Denver Mile High Night sales, Violet has had three heifer calves sell at an average price of \$11,200. Her sons, Yankee, Cracker Jack, The Bus and others are making an impact on our herds and many others. Many of the following lots carry the influence of this great cow. Here is your opportunity to inject the strength of her genetics into your herd!

- Actual BW 84 lb.
- She has been the top heifer prospect at Delaney's since the day she was born. Very attractive, long sided, pigmented Cracker Jack daughter. Her mother is proving to be one of our top young cows. Her grandsire, 11P, is a herd sire working for Rausch Herefords. This sale is your first opportunity to buy daughters of Cracker Jack and this is one of the best! You can see why we are excited about Cracker Jack and his ability to sire great females and bulls!
