SPRING BULL SALE

•• MONDAY, APRIL 11, 2011 AT 12:30PM ••

LUNCH BEGINNING AT 11:00AM

DELANEY HEREFORDS SALE BARN, LAKE BENTON, MINNESOTA

Welcome and thank you for your interest in our first Spring Bull Sale. My long time friend and partner, Pete Atkins and I feel we have assembled a great set of Hereford breeding bulls for you to choose from. These bulls combine calving ease, high performance, gain ability and eye appeal along with the maternal traits needed to make great replacement heifers. All of these attributes in one package is what makes Herefords the hottest breed today. Don't be left out!

One thing we can all agree on is the beef industry has been evolving and moving at a faster pace than ever. To survive we all have to keep operating costs in check and work more diligently on marketing a quality end product; quality that comes from building a cowherd on a foundation of females that are both predictable and profitable. By offering a set of bulls that will produce for the show ring or feedlot, I am confident our program will help you make that happen!

I would like to welcome and thank my nephew, Jon Caraway of Caraway Red Angus Ranch, for bringing a great set of Red Angus bulls into our offering. They are big, stout, powerful and would be a great addition to any cowherd.

If we could be of assistance in any way, please do not hesitate to call, email or stop by the farm. We thank you again for your interest and invite you to study the catalog and videos of our entire offering at www.delaneyherefords.com.

*Best Regards,
Jerry Delaney*

Conference Call Bidding - We will be offering conference call bidding on the day of the sale that will be coordinated by Art Handel. Please call 605-693-2663 between 11:30am and 12:15pm to register for a bidding number. To call in to bid during the auction, call 605-693-2663 and enter the pass code: 30084 when prompted. You may stay on the line as long as you wish.

•• SALE TERMS & CONDITIONS ••

Terms - Terms of the sale are cash or check payable during or after the sale and before cattle will be released. Cattle will not be transferred until paid in full. Each animal will be at the buyer's risk immediately after the animal is sold.

Guarantee - All bulls have been semen tested and examined to be sound and guaranteed breeders. If an animal fails to breed and is reported to seller by August 1, 2011, it may be returned to seller if in good condition and in compliance with Minnesota health regulations. Once the bull has been returned to the seller and confirmed that he is not a breeder, the seller will refund the purchase price.

Absentee Bids - If you would like to place a bid on any lot but are unable to attend the sale, please direct your bid to any of the owners or sale staff. Real time bidding will be available via conference call during the sale by calling 605-693-2663 and when prompted for a conference call pass code, enter 30084.

Herd Health - All cattle will be sold in compliance with the health laws of the State of Minnesota. Health papers will be provided.

Discount - Haul your own bull the day of the sale and receive a \$40 discount. Leave bulls with seller on feed for \$2.00 per day and pick them up when you want them. Animals left will be at the buyer's risk and we recommend purchasing insurance. Contact Art Handel the day of sale to purchase insurance.

Registration Certificates - The animals will be transferred to the buyer at the seller's expense. Each buyer must be sure to give the clerk the proper name and address for making transfers.

EPDs - EPDs listed in the catalog are the most current available at time of catalog printing. Carcass data, current weights, scrotal measurements and WDA available on sale day.

Please Note - All persons who attend the sale do so at their own risk. Owners assume no liability legal or otherwise for accidents or loss of property that may occur.

Acknowledgements -

This bull produces better mamas, not headaches

There's no mama like a Hereford-sired mama. Net income of \$51 more per cow per year and a 7% advantage in conception rate, compared to straight Angus females.* All this from a bull that is known for its fertility and easy-going nature. Hereford bulls — better mamas and no headaches.

Hereford — gentle bulls making black better.
