DEANAJAK
FARMS INC

And Guests

October 29, 2011 — Noon (EDT)

Dear Friends and Fellow Hereford Breeders,

We would like to welcome you to our “Traditions of the Cove” Sale. Our Traditions Renewed Sale last year rekindled our new tradition of a fall sale in the scenic Morrisons Cove where Deana Jak Farm is nestled here in Pennsylvania. Autumn has arrived in New Enterprise. It has been a very good year at the farm. Our spring seemed to linger just a bit longer than normal, but summer came on with ample rains, just right for growing nice hay and even nicer calf babies! The herd has just thrived!

The management of the herd has been under the watchful eyes of our sons Austin and Andre. I cannot express enough how proud I am of their dedication to this farm and maturity of the decisions they are making. Our sons and the rest of our crew: Aleesha, Nigel, Ethan and Kaia, have contributed to the operations of the farm in so many ways. My children, my wife Jenny and I — we make it work. We are blessed.

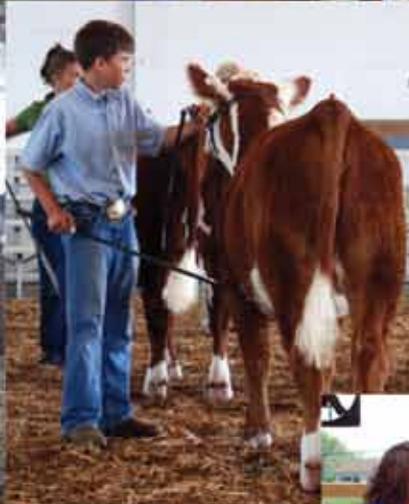

As you know, when we are talking about the beef industry, Herefords are in high demand and it is a good time for investment! Our goal is to offer great quality, high functioning Hereford cattle with lots of gut that will work! What we have for sale is no exception. Our lots include bulls, cows, bred heifers and calves. With such a variety, there is definitely something for everyone. I also want to mention that some of these calves are show prospects and have already been worked on the halter.

Our friends, Stockdale Farms, Dayton, PA, and NS Polled Herefords, Mason, OH, are joining us as guest consignors. Their friendship, along with so many others we have met in the breed, has meant a great deal to this family. Someone told us once that the “Hereford breeders are the nicest people!” We would agree...there is something about this breed!

So, we invite you to Deana Jak Farm in New Enterprise, PA, Friday, October 28, 2011, to preview this great sale offering from 4 p.m. — 8 p.m. and to our “Traditions of the Cove” Sale Saturday, October 29, 2011, preview beginning at 8 a.m. Lunch will be at 11 a.m. and the sale at Noon. If you are unable to attend, you can participate online at www.frontierstockyards.com. Should you need information on the cattle or if you need assistance making arrangements to visit our sale, please give us a call. We look forward to seeing you!

Very Truly Yours,

Doug Howe

- We thought it was only fitting to present DJF 408 P12 Utley 0058 ET as the Lot 1 in our catalog. We fully recognize that a bull will advance a program and influence herd genetics faster than any other breeding tool that a producer might use and we place great value on our bulls here. His dam, "Pris," aside from her powerful pedigree, is a potent producer that passes on her mass, milking ability and structural soundness to her offspring. The addition of his sire to his dam's pedigree can only mean good things. Take a look and don't miss the opportunity. Selling 3/4 interest and full possession.

- “Yerkes” is the first calf selling out of Wirruna Abracadabra A85 and our very powerful dam, NJW 57G M15 Vera 32T ET that we purchased from Ned and Jan Ward, Sheridan, Wyo. This bull is a outcross like no other. Being out of a very sound and heavily muscled Australian bull and “Vera,” that is a 57G daughter and the “Positive Plus” cow, mother of Radar. “Yerkes” has a lot of growth, good muscle shape, is sound moving and is a big testicled bull all put together in an eye-appealing package. Actual birth weight 95 lb. Terms to be announced on sale day.

- This is a beautiful 2-year-old! “Whitley” is highly maternal and is doing a wonderful job with her 2338 heifer calf. Very nicely uddered, she is out of our donor STAR 19R Carlene 137T ET, co-owned with Star Lake Cattle Ranch, Skiatook, Okla. With her mother 137T, this pair stood out as Grand Champion Cow/Calf at the 2009 K.I.L.E. Pasture exposed May 26 to July 31, 2011, to DJF 3027 513T Victorino 0002. Safe in calf.

Air Service:

There are two flights a day into Blair County/Altoona Airport (AOC) serviced by United Airlines which is 10 miles from the farm. Book early because flights are limited. Call with your flight schedule so we can arrange to pick you up.
Harrisburg International (MDT) is 115 miles east of the farm where a car can be rented.
Baltimore/ Washington (BWI) is 145 miles southeast of the farm where a car can be rented.

Pregnancy Testing:

Breeding information and due dates printed in the catalog are based on AI dates and pregnancy evaluations by competent technicians. While we believe all information to be accurate, we understand that some error in pregnancy testing can occur. We guarantee the females to be bred at the time of sale but have no control past this point. We suggest the best management at calving to ensure a live calf. We also suggest you insure your purchase and/or the pregnancy. Information updates provided on the Sale Supplement sheets or announced from "the block" take precedence over material printed in this catalog.

Health Certificates:

Health papers required for interstate shipment of cattle will be available at settlement. It is imperative that settlement is made and your paperwork is in order.

Sale Location:

337 Guyer Corner Rd., New Enterprise, PA 16664

Directions to Deana Jak Farms, Inc.:

PA Turnpike to Exit 146 (Bedford). After exiting, turn left at the light. Proceed to the first light in front of Ed's Steak House and turn left onto U.S. 220/I-99 North. Go north on U.S. 220/I-99 for 6.4 miles to the second exit, Exit 7 for Rt. 869. Go east on Rt. 869 over the mountain 3.8 miles. Once over the mountain, take the first right onto Guyer Corner Road and drive 1/2 mile to the farm on the left.

Sale Time:

Noon (EDT)
Insurance: Thru Harding and Harding, Agent Jerry Gay

Terms:

Cash. Each animal will be sold to the highest bidder. The auctioneer shall settle any dispute as to bids. All cattle are to be paid for by purchasers during or immediately after the sale and will not be released until settlement has been made, unless other arrangements have been made in advance. No cattle will be transferred until paid for in full.

Guarantee:

All cattle will sell under the terms and guarantees recommended by the American Hereford Association.

Liability:

Each animal will be at the purchaser's risk immediately after the animal is sold. They will be fed and cared for, for a reasonable length of time after the sale, but at the purchaser's risk and expense for a per day charge. Cattle must be paid for before they leave the farm. All persons who attend the sale do so at their own risk. Deana Jak Farms, Inc. assumes no liability, legal or otherwise, for any accidents that may occur.

Announcements:

Sale day announcements take precedence over printed matter in the catalog. We reserve the right to withdraw any sale lot not meeting our specifications prior to sale time. EPDs in the catalog are from Spring 2011 analysis.

Registration Certificates:

Registration Certificates will be transferred to the buyer at the seller's expense. Each buyer must be sure to give the clerk his proper name and address for making transfers. All calves born before the sale will be registered by the sellers. Information will be provided by the seller for the buyer to register unborn calves.

AI Certificates:

There will not be any certificates provided on bulls not owned by the seller for females selling bred AI.

Bids:

If you would like to place a bid on any lot but will not be able to be with us, we would be happy to handle mail or phone bids for you. Please direct to the owner, auctioneer or any of the sale staff.
